*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Colonel Vance  
25X1A9a

DATE: 25 September 1950

FROM : [REDACTED]

SUBJECT: Assessment of the Adequacy of Intelligence Reporting from the Philippines

1. Attached hereto find our comments on intelligence reporting from the Philippines. In addition, my people tell me that since the elimination of Army and Air attaches in Manila, military reporting has declined in quantity, quality, and scope. Current information lacks many elements essential for intelligence production. Order of battle data and reorganization measures are not reported promptly. Furthermore, for your information, it is pertinent to note that we currently receive virtually no Joint United States Military Advisory Group (JUSMAG) reports from the Philippines.
